CACTUS WOOD NOVELTIES:

These unique novelties are cleverly made by hand from the heart of the cactus. No two articles are exactly alike, due to the freakishness of these desert growths. Great hardships are often endured in collect this wood, miles from the nearest habitation. Sand storms and extreme heat seems to be the customary weather.

These novelties are very ready sellers. A complete table should be used for display and sales, with a surplus on hand at all times. When ordering, we always suggest that you buy the Cactus Wood Novelties in assortments, assuring you of many different styles. For smaller stores and Gift Shops, we suggest the \$100.00 Cactus Wood assortment.

For larger stores, we suggest an assortment of \$300.00 to \$500.00 so as to include a complete line, including lamps, etc.

OUR TERMS are C.O.D., unless other arrangements have been made.
